

West Ham
Park

Registered Charity

Our vision: Open spaces that are rich in diversity, conserving nature, creating memories, enhancing lives.

West Ham Park's Charitable Objects:

The maintenance of West Ham Park as open public grounds and gardens for the resort and recreation of adults and as playgrounds for children and youth.

Core themes and priorities (2024-2028)

Protect and enhance biodiversity - maintain and enhance horticultural and ecological value.

Heritage and landscape stewardship - maintain historic layout and built features.

Health and wellbeing - promote inclusive recreation and sport.

Inclusive engagement - increase participation and reduce barriers.

Veolia Environment Trust funds improvements to community buildings and outside spaces and our vision is for a healthy environment where communities can thrive.

- The project actively encourages greater use by all members of the general public, from different cultures, religions, ages, genders, backgrounds and disabilities from accessing and using the site.
- You will, where possible, make use of volunteers to deliver the project and volunteering opportunities will increase as a result of this project.
- Your project will increase biodiversity at the project site.
- You need to have consulted everyone who uses the project site (current and potential) who will benefit from this project.
- Ensure the results of the consultation are included in the project aims.
